# PALM SUNDAY RESONATES HOPE FOR DISPLACED KUKI-ZO'S JOYOUS RETURN TO THEIR VILLAGES

The harmonious chanting of “Hosannah” filled the vibrant Christian-dominated Kangpokpi town on Sunday as the Christian community observed ‘Palm Sunday’, commemorating the triumphal entry of Jesus Christ into Jerusalem.

The Palm Sunday, also known as Passion Sunday, Willow Sunday, and Flower Sunday celebrations also reverberated hope for thousands of displaced Kuki-Zo's joyous return to their villages someday.

It is also an occasion that reflects the final week of Jesus Christ's life and it thus marks the beginning of the Holy Week, or the week leading up to Easter Sunday. It is a time for Christians to remember the agony of Christ and the joy of His resurrection.

Special Church services were held in all the churches in Kangpokpi town and Palm Sunday processions were taken out along the National Highway 2.

In the jubilant and colourful Palm Sunday procession organized by KBC Centre Church Kangpokpi, men and women, young and old, even small children tree branches and chanted, “Hosannah, Hosannah, Hosannah, to the son of David”, “Blessed is He who comes in the name of the Lord”, and “Hosannah in the highest heaven”.

A similar procession and chanting was also held by IBMC Kanggui Sunday school students and teachers.

Rev. Jamkhohao Haokip, Pastor of KBC Centre Church Kangpokpi said that Palm Sunday serves as a reminder of the dual nature of Jesus' kingship – both as a humble servant and as the exalted Son of God.

He also said that Palm Sunday invites believers to reflect on the true meaning of discipleship, following Jesus not only in moments of triumph but also in times of suffering and sacrifice.

Amidst the celebration, the Pastor said, there lingered a poignant reminder of the displaced Kuki-Zo in the ongoing violence in Manipur longing for home and the fervent prayers for a brighter future.

While articulating his profound sense of hope on the momentous occasion, the KBC Centre Church Kangpokpi Pastor said that just as Jesus Christ made a triumphant entry into Jerusalem, our displaced Kuki-Zo people, who leave their homes, abandoning their lands and traditional way of life will someday make a joyous journey back to their respective villages they dearly hold.

He then urged the Kuki-Zo people to pour their hearts into prayers, embodying a spirit of unity, and hope with a collective faith and devotion.

# NPF CANDIDATE SEEKS BLESSINGS OF MEITEIS' TITULAR KING LEISEMBA SANAJAOBA: WILL MEITEI VOTERS IN OUTER MANIPUR ACCEPT HIM?

The Meitei voters had earlier declared that they would not allow any Naga candidates to campaign in the ensuing Lok Sabha Elections if the All Naga Students' Association, Manipur (ANSAM) does not withdraw its memorandum of opposition to the demand of Meiteis' ST status.

## Will the Meiteis keep their stand on the issue?

To garner the Meitei votes, the official candidate of Naga People's Front (NPF), a regional party, for Outer Manipur Parliamentary Constituency, Kachui Timothy Zimik has called on the Meiteis' Titular King and Rajya Sabha member Leisemba Sanajaoba on Sunday evening and reportedly sought his blessings for the ensuing 18th Lok Sabha Elections, 2024.

In a social media post, Maharaja Sanajaoba Leisemba said, "NDA Alliance NPF Candidate for the upcoming 18th Lok Sabha Election ( Outer Manipur PC) Shri Trimothy Zimik called on me this evening." Notably, the Bharatiya Janata Party (BJP) had announced its support to the candidate of Naga People's Front (NPF), its alliance partner, for the Outer Manipur parliamentary seat.

Interestingly, the Meiteis' King, Leisemba Sanajaoba, is the de-facto head of Arambai Tenggol, who diktats the radical group as per his own whims and fancies. Knowing this very well, the NPF candidate must be seeking his blessing so as to appease the Meitei voters who are placed in Outer Manipur Parliamentary Constituency.

However, what one cannot digest is the fact that the NPF political ideology is to establish 'Greater Nagalim' which in contrast to the Meiteis' and their Titular King's ideology of Manipur territorial integrity.

Naga People's Front is the political wing of the NSCN-IM which everyone understands, and its main agenda is to carve out 'Greater Nagalim' from Naga inhabited areas of Nagaland, Assam, Manipur and Arunachal Pradesh. This means that the idea of Manipur integrity is not at all included in the manifesto of NPF.

It is to be noted here that the Meiteis voters in Manipur Outer PC constitute more than 2 Lakhs – meaning, they act as a deciding factor when the two tribal communities have a straight fight in the Lok Sabha election.

Notably, the Meiteis demand for ST status has been opposed tooth and nail by the Nagas. The Naga Student Apex Body in Manipur – All Naga Students' Association Manipur (ANSAM) has recently submitted a memorandum to the Governor of Manipur, opposing ST for the Meiteis.

In connection with this, the Meitei voters in Outer Manipur PC has launched a movement 'No ST Status, No Election' campaign in their area. The Committee also urged the ANSAM to withdraw its memorandum; failing which, they would not allow any election campaigns by Naga candidates in the Meitei area.

Now, the big question is – How will the BJP, which extends support to NPF in Outer Manipur, convince the people? How will Sanajaoba or Mr. N. Biren Singh played out this game of 'Chess' in the upcoming LS poll? Will the Committee who served diktats to ANSAM compromise their stand and vote the NPF or will they succumb to the pressure of Sanajaoba and Biren?

Will they be physically subdued by the armed private militia of N. Biren Singh, coercing them to vote against their wishes – the result will be out soon? Lets wait and watch.

# WITH BJP'S INABILITY TO ANNOUNCE ITS CANDIDATES TILL DATE, BIREN'S FUTURE HANGS IN THIN AIR

Even after the Communist Party of India (CPI), Congress (INC), Republican Party of India (Athawale) or RPI(A), Manipur People's Party (MPP), have chosen its candidates for the I-Inner Manipur parliamentary constituency, the ruling BJP who claims to be the largest political party in the world is yet to find its party candidate. Whereas the RPI(A), an ally of the BJP, has announced Maheshwar Thounaojam as its official candidate, the MPP decided to put up Rajkumar Somendro @Kaiku.

Earlier, JNU Academic Dr. Angomcha Bimol Akoijam and Laishram Sotinkumar Singh were announced by the Congress and CPI respectively

With this, at least four political parties have announced their official candidates for the Inner Manipur, even though the BJP failed to do so. This possible four or more corner contest shows that the Meiteis' dominated Imphal valley is sure to witness a tough battle even if the BJP refrained from putting up its candidate.

With the Manipur mayhem seeing no sign of normalcy even after more than 10 months, the ruling BJP has been caught in limbo. The decision of the party to support its ally NPF for the Outer Manipur had already sparked strong protests. The BJP office in Senapati was reportedly vandalized on Saturday around 10:30 am.

In this situation, a similar decision to support a candidate belonging to another party for the Inner Manipur will not only show the BJP in poor light but is also likely to confuse its party workers further which may lead to serious consequences. Any ugly incident in Imphal valley in this regard will also affect the image of the party as it was Biren who refused to relinquish the post

of Chief Minister to contest for the Lok Sabha, much against the wishes of the BJP's central leadership, and instead recommend younger politicians for the Inner Manipur.

For the Outer Manipur, Kachui Timothy Zimik, a retired IRS officer, and Alfred Kanngam Arthur are the official candidates of the NPF and Congress respectively.

Meanwhile, uncertainty hangs over the Kukis as the last date for filing nomination papers is just a few days away. According to sources, Kuki civil society organisations and political parties, under the aegis of Kuki Inpi, are closely monitoring the situation, and are likely to take a unanimous decision as per the wishes and aspirations of the people.

It may be noted that the KNO and UPF had openly supported the BJP candidate in the last Lok Sabha elections 2019 without much positive result. Therefore, if the Kukis are to vote for the BJP candidate, or its allies, they may do so under certain agreed positions, the source added.

# BIREN FINALLY REALISES ONLY POLITICAL DIALOGUE, NEGOTIATIONS AND TALKS CAN BRING SOLUTIONS TO GRIEVANCES OF PEOPLE

After 10 months into the conflict in Manipur, the chief minister of Manipur has seem to finally realize that violence is not the solution in ongoing conflict in Manipur.

Briefing to the media in Imphal on Sunday, Biren said that solutions to any grievances can be settled through political dialogue, negotiation and talk but not violence.

The chief minister said every conflict/wars in the world were resolved through dialogues. The chief minister appealed the people from both the community to forgive and forget even if they had been emotionally driven in the conflict and restrain/ refrain themselves from making provocative statements on social media.

Biren also said that both the communities have now look forward to bringing peace in the State. The prevailing peace which has been maintained in the State for the past days is an indication that the people who were in the mood or mindset to wage war have now come to their senses, he added.

No one really knows what Biren had in mind as he was briefing to the media. But, if he had made such statement regarding the need of political dialogue, negotiations and talks to bring solution to crisis in the State at the initial stage of the conflict, the situation in the State could have not worsen.

As a leader of the State, he could have invited the leaders of the Kuki and Meitei CSOs for a talk as soon as the violence began in the State. Or he could have requested the Naga leaders to initiate a peace dialogue between the Kuki and Meitei communities.

However, no such steps have been initiated by Biren Singh till date and he has always blamed the Kuki community for the violence in Manipur. Even after the violence escalates in the State, Biren as a leader of the State continues his hate speech against the Kuki community.

His open remarks in public gatherings, insulting the sentiments of the Kuki community and labeling them as poppy planters, illegal immigrants is an important factor as to why the Meiteis does not show any restraint in continuing their hate speech against the Kuki community and attack in Kuki villages.

## SUSPECTED ARAMBAI TENGGOL, UNLF(P) CADRES KIDNAP TWO MUSLIMS

A Day after one Meitei-Pangal (Muslim) was kidnapped by suspected Arambai Tenggol and UNLF(P) members at gun point, another two Muslims were again kidnapped by gunmen, suspected to be the Arambai Tenggol and UNLF(P), from Lilong Nungei on Saturday.

As per reports from valley based media, the two Meitei-Pangals have been identified as Md. Farujudin (28) and Md. Abdul Warish, both

of them belong to Lilong Nungei locality.

It was reported that the duo were kidnapped while travelling in a Range Rover car bearing registration no. DL 1CR 5105. They were kidnapped at gun point by suspected Arambai Tenggol and UNLF(P) members around 10.45 pm on Saturday night near Nungei Junior High School.

# WARM RECEPTION FOR CONGRESS CANDIDATES: I CHOOSE CONGRESS BECAUSE OF ITS IDEOLOGY, SAYS PROFESSOR A. BIMOL AKOIJAM

A professor from Jawaharlal Nehru University (JNU), New Delhi, Angomcha Bimol Akoijam, has said that he chose to join the Indian National Congress (INC), the grand-old party, and contest the 18th Lok Sabha Elections from the party ticket as he likes and shares the party's ideology of diversity and secularism.

Bimol Akoijam, who will be representing the Congress party in the upcoming Lok Sabha Elections for Inner Manipur Parliamentary Constituency, made the statement while interacting with INDIA Bloc leaders at Congress Bhavan, Imphal on Sunday. The Congress candidate was warmly welcomed by a large group of Congress workers, leaders, well-wishers and supporters at Imphal International Airport today.

While speaking at the programme, Bimol said he has no intention of contesting the election but after seeing the problems of the people in the present state conflict and the political game plan involved in it, he took the decision to participate in electoral politics.

Claiming that he had heard about intending candidates spending money to get a party ticket, the professor said that the Congress party's decision to give him the party ticket without letting him spend any money could be the first of its kind in the history of Manipur. Bimol also said that the upcoming election is not just a mere election for him but it is a platform and stepping stone to start doing something for the State.

"By handing me the Congress ticket for the election, the Congress party has shown its commitment to social and political transformation," Bimol said, appealing

the people of Manipur to cast their votes to bring a new political culture in the State of Manipur.

Alfred Kangam Arthur, who will be representing the Congress in Outer Manipur Parliamentary Constituency, said politics is the mechanism and engine for bringing change or even destroying a nation. "Under the BJP regime, the people have lost their power," he said, and accused the saffron party's ideology of being a destructive side of politics. None of the people in Manipur would believe that democracy still exists in Manipur, he added.

The Congress candidate for the Inner Manipur seat will be contesting the elections along with Manipur People's Party candidate Rajkumar Somendro Kaiku and Mahesh Thounaojam of the RPI(Athawale).

The BJP has not announced any candidate to represent the party till date. However, the Chief Minister N. Biren Singh has said that the BJP candidate would be announced by Monday.

# BIREN'S DRAMA ON DRUGS

PART-2

Lamenting on the Meitei CM Biren's drama on drugs, the Imphal Free Press' Editor wrote on 12th March 2021: *"Manipur's War on Drugs does not deserve to be called a 'war'... the state is targeting the victims and simplistic poppy farmers while protecting the interest of the major players."* It may be added that the state under Biren is mainly targeting the Kukis in his drama on drugs.

A timeline study of the publicly available news, articles/ records including those published in the Manipur Police Website, is reproduced in the format of 'Chronology' to understand that the Drug problem in Manipur **was affecting and is still continuing to affect all sections of society**, and not only the Kukis as alleged, with only malafide intention, by the Meitei CM Biren and his chamchas such as COCOMI, AT, Meitei Leepun, and the meitei newspapers (both in English and Meitei).

In an attempt to cover up his failures to control the drug menace prevalent in the Manipur society, the Meitei CM tirelessly stereotyped the Kuki community as the cause of the problem. Rather than conducting a proper study and then accordingly strategise to tackle the drug menace, Mr. Biren started polarizing the communities

of Manipur. Rather than providing the people with jobs, skills, facilitating communication and transportation routes, Biren took to "propaganda and lies" as his go-to "opium of the masses" to hallucinate the Meitei society into believing that the Kukis were the source of all ills plaguing their society.

A thorough study was done by FICCI on this issue, and surprisingly not by any of the so-called scholars/ researchers/ bureaucrats in Manipur Secretariat who are all paid out from the state treasuries, in the aftermath of the Covid-19 pandemic there has been a recent rise in smuggling in Manipur as noted by FICCI's Committee Against Smuggling and Counterfeiting Activities Destroying the Economy (CASCADE). FICCI reported: **"Loss of jobs and lack of income** due to recurrent lockdowns have left citizens without means of livelihood. Reports suggest that smugglers and insurgents are using people from the local tribal areas to transport smuggled goods by taking advantage of their financial vulnerability caused due to Covid-19".

When the entire world was hanging its head in shame over this disgraceful incident, the members of that very community who committed this act are now not only boasting about their actions but also issuing threats of repeating the same.

# The Ice Wall

I saw Canaan twenty steps away  
I ran towards it and bumped on an object;  
There lies an ice wall between.  
Voices come with the wind that says  
The wall would take another year to melt!

The Israelites were stiff-necked people  
Ungrateful of love, instead they complain;  
Ethereal wonders does not make them blink  
In God's absence, they turned to idols.  
A journey of days stretched to decades!

We are no better than them  
Narcissism and partition won't take us far;  
I'm afraid the road will take us to a desert  
But I'd rather die than go back to Egypt.  
A land flowing with milk and honey awaits!

We decide how long the journey will take.  
Just as how grasses dance at the will of the wind,  
Let us dance to the will of the Lord;  
The ice wall will hence be melted  
And we shall conquer Canaan!
